THE CAMPAIGN.

THE NEWS FROM GEORGIA

GLORY ENOUGH FOR ONE DAY. THE STATE DEMOCRATIC BY FIFTY THOUSAND MAJORITY.

HURRAH FOR HORACE.

SAVANNAH, GA Oct 2.- The Morning Nevs' will publish to-morrow, returns from thirty-five counties, all of which, except two, have decided Democratic majorities. The following counties which are now Democratic and which now give 8,000 majority for Smith, gave in the governor's election of 1868, a combined majority of 3,414 for Bullock, viz: Hancock Macon, Munroe, Baldwin. Warren, Screver, Pulaski, Talbot, Wilkes, Newton, and Troupe. Returns from all points of the state show large gains over those of 1868. Smith is re-elected by nearly fifty thousand majority. The election was one of the most quiet and peacea-ble ever held in Georgia. Official count of Chatham county gives the Democracy 2,940 majority; Decatur county is carried by the Republicans by 300, and Thomas county by 150 majority. North Georgia has gone Democratic.

as a full vote has been polled. The royal trio at Berlin, during their meeting, dressed in a novel fashion according to the mathematical rule of permutation. The emperor of Austri wore a Russian uniform and a Prussia order; the Emperor Alexander a Pru sian uniform and an Austrian order, an the Emperor William an Austrian un form, with the Russian order of St. Ar drew. No two Emperors, it will observed, were dressed alike, and a three had dipped into each other's ware

There appears to be no doubt that the

The Russian war department be been giving much attention of late to th sanitary condition of the army. It appears that during the last few years the rate of mortality among the troops has been steadily decreasing. In 1868 it was 21 per 1,000, in 1869 20 per 1,000, and in 1870 less than 16 per 1,000. The recorded number of dangerous and long illness has diminished, but that of trifling illness has increased. That is explained by the circumstance that a closer watch is now kept over the sanitary condition of the soldier than formerly, and that he is not allowed to neglect any symptoms of ill health which may be likely to lead to serious

UNFADING LOVELINESS belongs only to the immortals, but whoever uses the fragrant Socodont can at least

defy time to injure one of the elements of beauty, a good set of teeth. AN ESSENTIAL OF LOVELINESS. To the entirely beautiful the hair should be abundant and lustrous. This is absolutely essential to complete loveli-ness. The most regular features, the most

brilliant complexion and pearliest teeth fail of their due effect if the hair be thin, dry, or harsh. On the contrary the plainest face, if it be but surmounted by luxuriant and silken tresses, is apt to impress the beholder with a sense of actual beauty. That crowning ornament of her sex is, happily, within the reach of lovely woman, and being as discriminating as she is lovely, she long ago discovered that Lyon's Kathairon was the sure means of securing it. No preparation for the Hair ever enjoyed a tithe of its popularity, and no wonder, since it produces such gratify-ing results. Applied to the waste and barren places of the scalp, it fructifies and enriches them with a new and ample growth. It is not, of course, pretended that it will do this if the capacity for reproduction is extinct, but so long as it re-mains that wonderful rehabilitant will assuredly propagate the germ of the hair into life and activity. 9-29d&wlw.
